For more detailed info on our artistic work and its use of Affirmation, Chant and Cymatics along with other innovative concepts, practices and services, you might also find site CreativeGlobalAction.com of interest.

1 PRELUDE

THE PRESENT IS NOW AND THE PRESENT A GIFT,
A COLLECTION OF WORDS LEADING HUMAN SHIFT.
WORDS WITHOUT MEANING, IF READ ONE AT A TIME,
BUT TOGETHER, BY MANY, RING A CHIME.
A CHIME SO LOUD, FROM A BELL SO BIG,
FROM A TIME SO POIGNANT, THIS TIME WE LIVE....
SO TAKE UP YOUR VOICE
AND TAKE UP YOUR HEART.
HOLD HANDS WITH LOVED ONES
HOLD HANDS AND RING,
THE CALL OF THE PRESENT,
LET THIS TIME BEGIN....

II TIME

AND NOW IS THE FUTURE.
NOW, THE ETERNAL MOMENT IN TIME AND SPACE
WHEN MILLIONS REACH, HANDS OUTSTRETCHED
WITH GRACE.

III SALUTATION

AS A CHORUS OF BIRDS SING A SLEEPY YAWN
GREETING THE SUN FROM THEIR CANOPY,
HERALDING NATURE FROM A LEAFY TREE,
CALLING BROTHERS AND SISTERS HOME TO REJOICE
AND THEY ALL KNOW TO SING WITH ONE VOICE.
FOX AND BADGER, HORSE AND COW
FISH AND TURTLE, DOLPHIN AND NOW,

IV ACTION

WE MUST TAKE UP THE GAUNTLET,
WE MUST TAKE UP THE FIGHT,
WE TAKE UP THE CHANCE TODAY OR TONIGHT.
TO WORK WITH NATURE TO REDRESS THE DAY,
TO BALANCE OUR LIVES IN A SPIRITUAL WAY.

V MEDITATION

BREATHE.

BREATHE AND LOVE.

BREATHE AND LOVE AND LIVE.

VI MOTION

**LIVE FOR A FUTURE THAT IS GOING FORWARD,
A NURTURING FUTURE GOING TOWARD,
HARMONY OF HUMANS LIVING WITH NATURE,
RESONANCE OF ALL THAT COME TO CREATOR.**

TAKE US THERE.

TAKE US NOW.

TAKE US.

VII FIRE

SHOW US THE PATH

AND SHOW US THE LIFE.

CALL ON CREATION TO GIVE US ADVICE.

**GUIDE US AWAY FROM COAL AND FIRE,
FROM HATE AND GREED, CONSEQUENCES DIRE,
FROM ILLUSION, DECEPTION, CRUELTY AND POWER,
AWAY FROM THE LULLING SLEEP OF DEMOCRACY,
AND DOWN TO THE EDGE OF THE LIVING SEA.**

VIII WATER

PLUNGE US IN, DIVE US DEEP,
WAKE US UP TO SURVIVE.
SHAKE OUR HEADS IN THE WATER,
PROVE WE'RE STILL ALIVE.
IMMERSE US IN WISDOM, IMMERSE US IN LOVE,
BLESS ALL SEAS AND THE SKIES ABOVE,
THEN, SINK US DOWN, PAST SHARKS, WHALES AND
SHOALS,
PAST ELEMENTAL CREATURES A MILLION YEARS OLD.
DOWN TO THE BED OF THE ETERNAL SEAS,
AND A MYRIAD OF CREATURES HARD TO BELIEVE.

IX AIR

THEN RUSH TO THE SURFACE GASPING FOR AIR,
CRYING TO SEE LIFE FOR WHOM WE MUST CARE.
ON OUR PLANET THAT SHRINKS AS OUR KNOWLEDGE
INCREASES,
WE UNDERSTAND MORE THE ROLE OF ALL SPECIES.
HOW WE'RE ALL JUST PART OF THE ECOSPHERE,
ON OUR BLUE WANDERING PLANET WHICH WE ALL
SHARE.

WE ALL BREATHE THE SAME AIR,
SHARE THE SAME MOON,
TREAD THE SAME EARTH,
LIVE THE SAME CYCLE,
AND WE ARE ALL ONE

X ONENESS

ONE-DERMENT OF NATURE AND TEEMING LIFE,
ONE-DERING HOW TO STOP DESTRUCTION AND STRIFE.

WE'VE ONE WAY TO BRING A BABY TO BEAR,
WE'VE ONE WAY TO SHOW THE WORLD THAT WE CARE,
AND JUST ONE WAY TO SHARE THIS IMPORTANT PRAYER.

IN THE ONENESS OF THE UNIVERSE,
IN THIS ONENESS OF SPACE.

XI FORTY-TWO

**ACROSS THOSE SEAS OF ETERNITY AND THE COSMIC
WASTE.**

**WE ARE BUT CREATURES OF HABIT,
CREATURES THAT HIDE,
LOWLY CREATURES BEING HOPEFUL,
CREATURES TRYING TO FIND,
AN ANSWER TO EXISTENCE, A REASON WHY?
THE VIEW FROM A MOUNTAIN MAY MAKE US CRY.
WHY GRASS CAN PUSH THROUGH CONCRETE STRONG,
WHY BIRDS ALL SING SUCH A BEAUTIFUL SONG,
HOW NATURE SO PLEASES THE HUMAN EYE,
WHY ALL THE SPECIES LIVE AND DIE.
AND HOW NATURE CREATES THE COMPLEXITY WE SEE?
THE WONDER OF HUMANS TO THE BUSY BEE.**

XII HUMILITY

SCIENCE IS CLEVER BUT SCIENCE AGREES,
MAGNIFICENT NATURE BRINGS US TO OUR KNEES.

OUR BRAINS SO COMPLEX, OUR BRAINS DON'T
UNDERSTAND,

A BABY SO PRECIOUS ALIVE IN YOUR HAND.

A KISS SO POWERFUL IT BLOWS YOUR MIND,

A SOUND SO WONDERFUL YOU CAN HARDLY STAND.

THAT'S A MILLION REASONS YOU CAN'T EXPLAIN,

FROM THE COSMOS, TO THE FLEA, TO THE HUMAN BRAIN....
